A rich, dark brown wooden surface is adorned with an assortment of Christmas-themed items. In the center, the words "CHRISTMAS PRODUCTS" are written in a clean, white, sans-serif font. Surrounding the text are various treats: several pieces of dark chocolate, some with intricate patterns or textures; round, nut-covered chocolates; and a small square of cake with white icing. Dried orange slices, showing their vibrant orange and white segments, are scattered throughout. Several cinnamon sticks are placed horizontally and diagonally. Fresh green pine branches with sharp needles are tucked into the corners and around the edges. A fine dusting of brown powder, likely cocoa or cinnamon, is spread across the middle of the composition. Small, whole almonds and hazelnuts are also visible among the other items.
